

10TH SKELETAL ENDOCRINOLOGY MEETING

26th/27th MARCH 2023 – ITALY

Presidential Poster Session – 26th March h. 18.55-20.30

INSTRUCTIONS TO AUTHOR FOR ABSTRACT PRESENTATION

Authors are invited to contribute to the scientific content of the Congress by presenting their work, as their contributions are an essential part of the scientific programme.

Since the Skeletal Meeting is a special occasion to share novel insights in the involvement of bones in endocrine diseases and the current and future therapies knowledge, an active participation in our 2023 Congress in Stresa, Italy, is a good opportunity to expand the own professional network and present a poster with upcoming data about osteoporosis, hormonal regulation of bone metabolism, skeletal involvement in rare endocrine and metabolic diseases, cancer-bone interactions.

Deadline for presenting the abstract to be revised by the Scientific Committee is **17th February 2023**, 23:59 CET

Authors and co-authors will receive acceptance/rejection notifications on **1st March 2023**

The presenting author of a selected abstract must attend the Congress and present the abstract in the session and at the designated time.

Each author is recommended to give a valid email address during the abstract submission procedure, because all communications will be sent by the Skeletal Scientific Secretariat to the indicated email address.

POSTER PRESENTATIONS

- The full paper (abstract titles, authors, institutions, abstract text, figures, tables, disclosures) should fit in a A4 page (2.5cm margins), written in Word format typed using single line spacing.
- Font style: Times New Roman; Font size: 12.
- The document should include the following items in this order:
 - Abstract title in UPPERCASE (please do not use abbreviations)
 - Authors name: first name and surname of all authors must appear in the abstract
 - Authors' affiliation should be typed under the list of authors' names (please refer to multiple author's affiliations with superscript numbers placed immediately after each author's name)
 - Abstract body text (the following structure needs to be followed for the abstract text submission):
 - Background
 - Objectives
 - Methods
 - Results
 - Conclusions
- Graphics, images (JPEG and TIFF, only) and tables can be embedded in the text.

Abstracts that are not in accordance with the above instructions may be returned to the author for the necessary revisions prior to review.

Once submitted by email, a confirmation that the abstract has been correctly received and forwarded for review will be sent.

Please, check spelling and grammar carefully before submitting. Direct reproduction from your electronically submitted abstract text means that any errors in spelling, grammar or scientific data will be reproduced as submitted. For technical support and further abstract requests, please directly contact the Skeletal Meeting Congress Secretariat at skeletal@aicgroup.it
